# HANDS ON PAWS

## Dog Walking & Pet Care

Established in 2007 Hands on Paws is a fully insured professional dog walking and pet care service based in the North East of England.

We provide a real alternative to boarding your pets, sending to a day creche or having to rely upon others doing a favour.

Our range of services is aimed at the responsible pet owner who wants the best care for their animals. You can be away from home, safe in the knowledge that your pets are in our capable and experienced hands.

From a daily walk to puppy socialising - we will love and take care of your pets, like they were our own.
